**Subject:** I think the judgement is completely unfair

Hi,

My name is Jesse, I'm a 10 year old boy. I use both Linux and Windows (and not so much windows anymore).

I think it would be a good idea for you to take the money that Microsoft got by doing illegal things and use it to help Linux, which is Microsoft's best competition.

I also think Linux is just straight out better!

Thanks,  
Jesse LaVercombe
